CANAVESE WINE IMMERSIVE EXPERIENCE

Wines from Piedmont mean much more than Barolo! The area of Canavese, where Sina Villa Matilde is located, has a rich history of wine cultivation matured over centuries. Enjoy an immersive experience and discover the wines of the area. We can arrange a wine tasting session at the villa's ancient wine cellar with vaulted brick ceilings. The wines will be paired with local cheese and cured pork products as well as local grappa and chocolate. Enjoy!

A SINOIRA SNACK

"**Merenda Sinoira**" is a snack to be enjoyed between afternoon tea and dinner and can be organised in the villa's atmospheric old wine cellars or in the lush century old park. The snack recalls the old days when peasants used to return home hungry after a hard day's work in the field and snack with a selection of local products, in harmony with the seasons and respecting the natural ingredients.
