

## THE EXTRAORDINARY RAPHAEL VILLA FARNESINA – SANT’AGOSTINO BASILICA – PANTHEON

Precisely 500 years from his death, we pay homage to Raphael – arguably the most talented and gifted artist of his era. Sina Bernini Bristol has the pleasure to offer a magical tour evoking both art and history on a discovery journey of one of the greatest Masters of the Renaissance. Together with an expert guide, you will be able to visit the 16th century Villa Farnesina, one of the noblest and most harmonious creations of Italian Renaissance. A precious villa in which architecture and frescoes fuse into a single breathtaking artistic jewel, highlight of which is Raphael's Loggia of Amore and Psiche. Stroll around the monumental rooms and be transported into an ancient, legendary world, made of images, symbols and unbelievable myths. Of all the artists that competed to satisfy the commissioner, only Raphael managed to bless the Renaissance with the gift of immortality. Head towards the Basilica of St. Agostino, where waiting for you is a lesser-known yet magnificent and powerful 16th century fresco featuring the prophet Isaiah. And last, but not least, a panoramic stroll by the Trevi Fountain, along Via del Corso, will take you to the majestic Pantheon, the largest Dome ever created – temple of past, present and future deities – which hosts the tomb of great artists such as Raphael's. Conclude the tour with an outstanding dining experience at our The Flair - Rooftop Restaurant located on Sina Bernini Bristol's panoramic terrace.
